In re Application of :
N. Benjamin Eldridge et al. :
Application No. 09/364,788 : **DECISION ON PETITION**
Filed: July 20, 1999 :
Attorney Docket No. P84-US :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed June 4, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to submit formal drawings in a timely manner in reply to the Notice of Allowability, mailed October 10, 2007, which set a period for reply of three (3) months. Accordingly, this application became abandoned on January 11, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the corrected formal drawings, (2) the petition fee of \$1540.00; and (3) a proper statement of unintentional delay.

Accordingly, the instant petition was signed by an attorney of record. However, the address on the petition differs from the address of record. There is no indication that a power of attorney or a change of address has been filed in this application. Therefore, if petitioner desires to receive future correspondence to the address listed on the petition regarding this application, the appropriate power of attorney or change of address must be submitted. A courtesy copy of this decision is being mailed to petitioner. Nevertheless, all future correspondence regarding this application file will be directed solely to the address of record until otherwise instructed.

Telephone inquiries concerning this decision should be directed to JoAnne Burke at (571) 272-4584.

This application is being referred to Office of Data Management for processing into a patent.
